New Store Opens to a Big Success

Popup Surprised by Huge Success

People in the local area are shocked by the crown surrounding a new popup shop in the area. What they sell, **shoes**. The new shop opened a few days ago and has attracted people from all over the state. Everyone wants to see what this new store has to offer.

"This place has *everything* you could ask for! The owner is nice and they have everything Ive been looking for"
-A customer of the new shop

Whats Coming Next?

With the success of their small booth, the owners look to move on to a real storefront and increase inventory. The future looks bright for this promising startup!
